September 2010 imported Toyota Previa, 2.4 luxury version 7 seats, with double sunroof, double electric doors, seat heating, mahogany steering wheel, headlight cleaning, etc., the car is in original condition, only one headlight was replaced, the paint was repaired due to aging, the paint is not very good at present, the interior is original, the actual mileage is 210,000 kilometers, it has been used once, the engine and gearbox are perfect, there is no abnormal sound in the chassis, it is very good to drive, the comprehensive fuel consumption is 10, I personally drove a few hundred kilometers, and went back to invest a few thousand to prepare it. It is not comparable to the current 100,000 or 200,000 cars. If you are serious, please do not disturb
