Original paint and car cover. Cheyitu Famous Cars focuses on high-quality second-hand cars. Our company guarantees car sales: All vehicles on sale in the store have undergone strict inspections (providing 4S shop maintenance and repair records, insurance claims) and provide professional inspection reports from third-party agencies. The vehicle needs to be re-inspected before delivery, and the vehicle extension warranty and repurchase contract are given as a gift, so that you can buy with confidence and use it comfortably. Our store promises not to pretend to be a high-end with a low-end configuration, and promises reliable procedures and convenient transfer of ownership. Eliminate major accident vehicles, water-soaked vehicles, and burned vehicles. Our store supports third-party inspections (including 4S shops), supports technical inspections with certificates from repair shops, supports customers to test ride and test drive, and supports chassis lifting inspections. All vehicles in the store support replacement and mortgage services (simple procedures, low interest rates, and fast loan release). Within 300,000, it can be approved in seconds to match customers with the best plan. Support loans for out-of-town customers, and approve in advance to reduce the number of back and forth. Our company provides: evaluation, consignment, private customization, testing, annual inspection, mechanical repair, preparation, decoration, modification and other services. Our company's car collection range: We purchase various brands of high-end, medium-end and low-end high-quality cars at high prices all year round. Our company address: 109-110, Area A, Tiancheng Second-hand Car Trading Market, Jiangning District, Nanjing
