

GolfPure Electric 2020

Chi

SellingCar180
machuang@romacredit.com

This Golf pure electric 2020 model was first registered in September 2020, with a mileage of 40,000 kilometers. Its highlights include ISOFIX child seat interface, automatic parking, Bluetooth/car phone, PM2.5 filter in the car, and rear air outlet, providing you with a more convenient and comfortable driving experience. In terms of appearance, the car has a perfect paint surface, a brand new appearance, partial painting, no color difference, and minor scratches. The interior is neat, the car machine functions normally, the air conditioning is powerful, the seats are soft and comfortable, and there are no obvious signs of use. In terms of working conditions, the engine and gearbox are running well, the chassis is compact, the car condition is excellent, the mileage is low, and there is no oil seepage or leakage. In terms of usage, this car has no off-road history, and it is extremely cost-effective. It is a scarce model and a value-preserving artifact. It also supports third-party testing. If you want to know more about this car, you are welcome to visit the store to see the car in person. We look forward to providing you with more detailed introductions and services.
