[One-stop service complex for used cars – Aokanda Luxury Car Plaza purchases various mid-to-high-end models at high prices] No. 1 in the top 100 companies in the used car industry in 2023 and China's leading used car brand–Aokanda provides you with professional one-stop services for buying/selling/changing cars, and is the trusted choice of 300,000 car owners!

Aokanda, founded in 1999, is a leading used car company in China. Focusing on physical operations for 25 years, Aokanda adheres to the physical development model of "own brand, self-built showroom, and independent operation", and establishes a benchmark brand with ingenuity, quality and word-of-mouth service, achieving the first annual transaction volume and sales in the country, and serving more than 300,000 customers in total. Okandada (Shenzhen) Luxury Car Plaza, the world's first customized luxury car complex established by Okandada, has a total area of 120,000 square meters and a 6-story three-dimensional exhibition hall, setting a Guinness World Record: the world's largest second-hand car trading exhibition hall. Okandada (Shanghai) Luxury Car Plaza, the second in the world and the first in East China, will start operations in February 2023, with a total area of over 120,000 square meters and a 5-story three-dimensional exhibition hall, defining the benchmark for the second-hand car industry in East China. Okandada (Chengdu) Luxury Car Plaza will start trial operation on March 1, 2024. It is located in the Chengdu International Airport Business District, with a total construction area of about 100,000 square meters and a 5-story three-dimensional exhibition hall. Thousands of good cars are gathered, and you can see all the global car brands in one stop, bringing a new second-hand luxury car experience to car enthusiasts in the southwest. As a benchmark brand of used cars, Okandada has always adhered to the concept of doing used cars well, providing customers with a full range of services from pre-sales to sales and after-sales. With its excellent quality and high-quality service experience, it has won the trust of consumers and many honors: "No. 1 among the Top 100 Used Dealers in China",

"Leading Enterprise in China's Used Car Industry", "Top 500 Service Industries in China", "Shenzhen Trade Headquarters Enterprise", "Enterprise Standard Leader", "Brand Most Influential Award", etc.
