SellingCar180
machuang@romacredit.com

Appearance: The paint is well maintained, the body structure has not been repaired, and there have been no major accidents. Interior: Clean and tidy. The safety indicator lights are normal, the passive safety items such as airbags are normal, the electronic devices in the vehicle are in good use, and the static and dynamic equipment in the vehicle is complete. Driving: There are no problems with the vehicle's ignition, starting, acceleration, cornering, deceleration, and braking. The acceleration is rapid, the power output is smooth and comfortable, and there is no idle jitter. Overall: The overall vehicle condition is excellent. The body skeleton structure has no deformation or distortion, and there are no signs of fire or water. There are traces of spray paint on the body, the overall paint surface is good, and major accident vehicles are excluded. Wide field of vision, a good choice for practice, spacious and bright space with good ventilation. Installment payment is up to you! All our second-hand cars support mortgage installments, with low interest rates and simple and fast procedures. Private good cars, fine car conditions, beautiful prices, good use of electronic devices in the vehicle, complete static and dynamic equipment in the vehicle, short-distance driving, excellent test drive experience! The original owner took great care of the vehicle and sold it because he had to give it up because of the change of car. Four major quality assurances: (i) Guarantee no accidents (ii) Guarantee no water immersion (iii) Guarantee no collisions with the engine and gearbox (iv) Guarantee no accidents with the beam and longitudinal beam Pre-sales: Careful selection, strict testing, quality assurance. After-sales guarantee. Professional inspectors certify used cars, and certified used cars have better quality assurance than ordinary used cars 1. Strict quality control at the source, carefully selected good cars (eliminating accident cars, water-soaked cars, cars with false mileage, cars with incomplete procedures, etc.) 2. Good cars after strict testing, repair, maintenance and preparation
